The Old Methods of Barter and Trade

ARTER and trade . . . barter and trade. Since time immemorial the world has in-dulged in some kind of business. Trade between nations and individuals is the foundation of civilization . . . business is the network that links together our greatest social and political structures...yes, barter and trade is the thing that makes the world go around.

All through the ages the fundamental logic of buying and selling has remained the same . . . though nowadays its finer points have been marvelously embellished into various finished and

Want ads, small as they are in size and cost, have become the giants of a new kind of trading between social forces. Gone are the old ways. And unless you have had actual experiences you'll never know just how want ads can facilitate your

No matter what you want to sell . . . no matter what you want to buy . . . help wanted . . . rentendless every day buying and selling is accomplished quicker, better and more economically through The Daily Colonist want ads. The market you are trying to reach sits in the lap of our want ad pages.

Our readers are reliable buyers and sellers. To see a want ad in our paper is a guarantee of its integrity. Make use of them as others do for every need of barter and trade.
